

- 1) OBs are assumed to be still living unless we know for sure otherwise, so "yes" may not be up to date
- 2) The start year shows the year of arrival at WHS. The house shown is the boy's LAST house; except with a note in 'COMMENTS', there is currently no provision for showing ALL houses attended with years of any changes.
- 3) There are no doubt many errors. Where there is DOUBT over a starting year, a boy will not be included in the list. PLS help me to correct the data.
