1) OBs are assumed to be still living unless we know for sure otherwise, so "yes" may not be up to date

2) The start year shows the year of arrival at WHS. The house shown is the boy's LAST house; except with a note in 'COMMENTS', there is currently no provision for showing ALL houses attended with years of any changes.

3) There are no doubt many errors. Where there is DOUBT over a starting year, a boy will not be included in the list. PLS help me to correct the data.
